Information circular

To: Members of the staff
From: The Assistant Secretary-General for Human Resources Management
Subject: Rental subsidies and deductions

1. The purpose of the present circular is to inform staff members of the procedures required for the implementation of administrative instruction ST/AI/2000/16, entitled “Rental subsidies and deductions” (“the instruction”) when applying for a rental subsidy or when reporting on and certifying housing information for the purpose of rental deductions. Staff members should familiarize themselves thoroughly with the provisions of that instruction, which is available in the Intranet, where it can be accessed under “Reference materials”. The circular also provides other information that staff members may find useful in exercising their entitlement to a rental subsidy or complying with their obligations concerning rental deductions.

2. Annex I to the present circular lists the countries in Europe and North America where rental subsidies and deductions are governed by parts I and II of the instruction.

Procedures for rental subsidy applications

3. (a) First-time application for a rental subsidy:

   (i) At duty stations in Europe and North America. Staff members in the newcomer category, as defined in section 9 (a) of the instruction, should apply after arrival at the duty station and following the signing of a rental lease. They may submit their application at any time following the signing of a rental lease that falls within the seven-year period of eligibility set out in section 10.1 (a). Staff members in the force majeure category, as defined in section 9 (b) of the instruction, should submit their application after signing a new lease following a force majeure move. Staff members under either category should preferably submit their applications no later than three months after the beginning of the lease;

* The present circular will be in effect until further notice.
(ii) **At duty stations outside Europe and North America.** Staff members may submit an application for a rental subsidy at any time, but preferably not later than three months after the beginning of the lease;

(b) **Reapplication for a rental subsidy.** Under section 4.2 of the instruction, staff members are required:

   (i) To reapply every 12 months for a rental subsidy, indicating any changes that may affect their individual situation and the amount of the rental subsidy or to certify that the information previously provided is still applicable;

   (ii) To submit a revised reapplication before the end of the 12-month period to report changes in dwelling, in the rent for the same dwelling and in family size as soon as such changes occur;

(c) **Subsidy request in respect of an agent’s fee.** This one-time request under section 2.4 of the instruction should be included as part of the application or reapplication for a rental subsidy to which the payment of such fee relates;

(d) **Application forms:**

   (i) For staff members at duty stations in Europe and North America:

      – Form P.297, entitled “Rental subsidy application form (long form)/Rental deduction information form”. This form is reproduced in annex II;* Form P.297 is to be used for application as a newcomer, in force majeure cases, and when there has been a change in dwelling;

      – Form P.297/A, entitled “Rental subsidy application form (short form)/Rental deduction information form”. This form is reproduced in annex III;* Form P.297/A is to be used for annual reapplication when there is no change in dwelling or to report changes in rent for the same dwelling or changes in family size;

   (ii) For staff members at duty stations outside Europe and North America:

      – Form P.297/B, entitled “Rental information form the purpose of rental subsidy or rental deduction”. This form is reproduced in annex IV;* Form P.297/B is to be used for all applications and to report any changes in dwelling, rent or family size.

4. In submitting their applications, staff members should bear in mind the provisions of staff rules 103.15 [currently sr 3.16], 212.5 [abolished] and 303.3 on retroactivity of payments.

5. **Documentation requirements:**

   (a) **At all duty stations.** For all staff, the documentation required with a first-time application or a revised reapplication is a copy of the signed lease agreement and a copy of either the first month’s rent receipt or the cancelled rent payment cheque. If the one-time subsidy for payment of an agent’s fee is requested, the contract or agreement with the agent and a copy of a receipt for the fee or the cancelled cheque for payment of the fee should be submitted;

* The form is also available from the Intranet, Quicklink “Forms”. 
(b) Additional requirements at duty stations in Europe and North America:

(i) When the staff member is responsible for paying electric bills separately from the rent, a copy of a recent electric bill should be submitted, so that an amount for electricity will not be deducted from the rent amount for the purpose of the subsidy calculation in accordance with section 11.5 of the instruction;

(ii) Staff members applying under the force majeure category should submit appropriate documentary evidence attesting to the reason for the change in dwelling, a copy of the former lease and a recent receipt or cancelled cheque relating to such lease. Additional information may be requested from the staff member to determine his/her eligibility for force majeure rental subsidy.

6. Applications for rental subsidy are submitted for processing and verification of the required information:

(a) At Headquarters, to the human resources officer responsible for the staff member’s department or office;

(b) At other duty stations, to the personnel office responsible for administering the staff member’s entitlements.

7. If the request for a subsidy is approved, the staff member will be provided with a computation sheet showing how the subsidy amount was calculated. If the staff member is not eligible to receive a subsidy, he or she will be so notified.

Procedure for rental deductions

8. In accordance with section 7.4 of the instruction, staff members are required to report and certify at the time of recruitment whether they receive housing assistance or free accommodation from the Organization, a Government or a related institution in form P.1, entitled “Personnel Induction Questionnaire”.* Staff members have an obligation under staff rule 104.4 (b) [currently sr 1.5] to report any change from the situation reported at the time of recruitment which could affect their status or entitlements.

9. Staff members who report that they receive housing assistance or free accommodation from the Organization, a Government or a related institution will then be required to submit additional detailed information on form P.297,* for staff members serving at duty stations in Europe and North America, and on form P.297/B,* for staff members serving at duty stations outside Europe and North America.

10. When it is determined that a staff member is subject to a rental deduction, he or she should submit a rental deduction form on an annual basis to report what changes, if any, have occurred in his or her housing arrangements or to certify that the information previously submitted is still applicable. However, during the intervening period between the annual reports, the staff member shall be responsible for reporting any changes in dwelling, rent for the same dwelling or housing assistance. Staff members serving at duty stations in Europe and North America may use form P.297/A* for these purposes, except when there has been a change in dwelling, in which case form P.297* should be used. Staff members serving at duty stations outside Europe and North America should use form P.297/B.*

Computation of rental subsidies and deductions

11. The general regime governing computation of rental subsidies is set out in section 3 of the instruction.

* The form is available from the Intranet, Quicklink “Forms”. 
12. A prerequisite for an entitlement to a rental subsidy to arise is that the amount of rent paid by the staff member exceed the “individual threshold amount”, that is, the amount up to which the staff member is expected to bear the rental costs without any subsidy. This amount is calculated in accordance with section 3.2 of the instruction by applying to the staff member’s income, i.e., the net base salary, including special post allowance, if any, and post adjustment, the rental subsidy threshold percentage at the single or dependency rate, as appropriate, established for the duty station concerned by the International Civil Service Commission. The threshold percentage rates for New York are set out in annex V to the present circular. Local circulars are issued at other duty stations setting out the threshold percentage rates applicable at the duty station concerned.

13. The special provisions applicable to the computation of a rental subsidy at duty stations in Europe and North America are set out in section 11 of the instruction. For such duty stations reasonable maximum rent levels are set by the Secretary-General based on the family size of the staff member and a survey of rent levels in the local market. Levels of reasonable maximum rent for New York are set out in annex VI. Local circulars are issued at other duty stations setting out the reasonable maximum rent levels applicable at the duty station concerned.

14. Sample calculations of rental subsidies and a sample calculation of rental deduction for New York are set out in annex VII. Sample calculations for rental subsidies and deductions at duty stations outside Europe and North America are set out in annex VIII.

If line 3 is greater than line 4, STOP. No subsidy payable.

**COMMENTS:**
(1) In this example, payment of rental subsidy commences only as of 15 November 2000, the first day following the end of the period of payment of the DSA portion of the assignment grant, not on the first day of the current lease. (2) A flat amount of US$25 was deducted from the monthly rent to account for the cost of electricity included in it.

### Example 2.
Staff member is P-4/VI (dependency), newcomer, residing with spouse in a two-bedroom apartment at a monthly rent of US$4000, excluding electricity cost. Date of arrival at New York is 22 September 2000. First day of current lease is 1 November 2000.

**COMMENTS:**
(1) Although the staff member’s period of eligibility for subsidy commences on 22 October 2000, subsidy is payable only as of 1 November 2000, the first day of the current lease. (2) The actual rent exceeds the reasonable maximum rent level; thus, the latter is used for the purpose of calculation. (3) The amount of subsidy payable is based on 40 per cent of the reasonable maximum rent level.

COMMENTS: A rental deduction is levied on the staff member because his or her housing cost (virtually zero due to the free housing received from a Government) is substantially below the average rent used in calculating the post adjustment index for the duty station.

**Example 2.** Staff member is FS-5/III (dependency), residing with spouse and two dependent children in a house with a monthly rent of US$1500, exclusive of electricity cost. **Example 3. Rental deduction.** Staff member is P-2/VIII (dependency) and is receipt of a housing assistance from the Government in the form of subsidized rent. Rent paid by the staff member is US$250 per month exclusive of electricity cost.

**COMMENTS:** A rental deduction is levied on the staff member on account of the fact that the monthly rent is substantially lower than the average rent used in calculating the post adjustment index for the duty station. The authorized official at the duty station has certified the dwelling to be of quality standard.

**Example 4. Rental deduction.** Staff member is D-I/III (dependency) and receives free housing from the Government.
